

How to Log onto GOMath! (<http://www-k6.thinkcentral.com>)

The login form is titled "Welcome to THINK central" and "Students, Teachers, and Administrators". It includes fields for Country (United States), State (NEW YORK), District (New York City Dept Of Ed, New York 10007), and School (Ps 196 Grand Central Parkway, Forest Hills 11375). There is a checkbox for "Remember my school" and fields for "User Name" and "Password". A "Log In" button is at the bottom. Below the form are links for "Teachers and administrators only", "Forgot User Name", "Forgot Password", and "Evaluators Click Here".

Enter your child's unique OSIS/student number

Everyone's password is: GoMath196 (capital "G" and capital "M")

Make sure to choose "New York City Dept of Ed, New York 10007", NOT District 28

Choose "Ps 196 Grand Central Parkway..." It's about 2/3 of the way down the list

The dashboard features three main widgets: "Things to Do" with a list of tasks like "Read Section 1", "Math Revision", "Do Quiz", and "Study"; "My Library" showing a book cover for "The POWER of Math"; and "My Scores" showing a test score of 100%.

Click on "My Library"

The "My Library" section is expanded to show a search bar and a grid of resources including "Mathematics 1-1", "GO Math! Student Edition, GK", "GO Math! Multimedia eGlossary, K-6", "GO Math! Standards Practice Book (SE), GK", "Math Concept Readers, GK", and "GO Math! Animated Math Models, GK".

All of your resources are here!

NOTE: You can get your child's OSIS number from his/her teacher, or parent coordinator, Ellen Maurer (emaurer@schools.nyc.gov)
